Dear

This letter responds to your letter, dated July 1, 2004, and subsequent correspondence on behalf of X, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations for X to file an election to be classified as an association taxable as a corporation for federal tax purposes.

**FACTS**

According to the information submitted, X was formed on D1 as a limited liability company in State. X timely filed a Form 1120, U.S. Corporation Income Tax Return, for its first taxable year beginning on D2, however, due to inadvertence, X failed to file a timely Form 8832, Entity Classification Election.

## LAW AND ANALYSIS

Section 301.7701-3(b)(1) provides guidance on the classification of a domestic eligible entity for federal tax purposes. Under section 301.7701-3(b)(1)(i), unless it elects otherwise, a domestic eligible entity is a partnership if it has two or more members.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided in section 301.7701-3(b) by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election under § 301.7701-3(c)(1)(i) will be effective on the date specified on Form 8832 or on the date filed if no such date is specified on the form. The effective date specified on Form 8832 cannot be more than 75 days prior to the date the form is filed and cannot be more than 12 months after the date on which the form is filed.

Section 301.9100-1(c) provides that the Commissioner has discretion to grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3, to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines a regulatory election to include an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections.

Section 301.9100-3 sets forth the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) granting relief will not prejudice the interests of the Government.

Section 301.9100-3(b)(1) provides, in part, that a taxpayer is deemed to have acted reasonably and in good faith if the taxpayer failed to make the election because, after exercising reasonable diligence (taking into account the taxpayer's experience and the complexity of the return or issue), the taxpayer was unaware of the necessity of the election; or the taxpayer reasonably relied on a qualified tax professional, including a tax professional employed by the taxpayer, and the tax professional failed to make, or advise the taxpayer to make, the election.

## CONCLUSIONS

Based on the facts submitted and representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 60 days from the date of this letter to file Form 8832 and elect to be classified as an association taxable as a corporation for federal tax purposes effective D2. A copy of this letter should be attached to the Form 8832.

Except as specifically set forth above, no opinion is expressed or implied as to the federal tax consequences of the transaction described above under any other provision of the Code.

This ruling is directed only to the taxpayer on whose behalf it was requested. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Sincerely,

Heather C. Maloy  
Associate Chief Counsel  
(Passthroughs and Special Industries)
