## Instructions

### Sales by Registered Ultimate Vendors of Undyed Diesel Fuel and Undyed Kerosene

**Purpose.** A registered ultimate vendor of undyed diesel fuel or undyed kerosene uses Schedule 2 to make a claim for refund. The fuel must have been sold for use on a farm for farming purposes or for the exclusive use by a state or local government, or for kerosene from a blocked pump.

**Period of claim.** Enter the period of the claim using the MMDDYYYY format. For example, the first quarter of 2000 for a calendar-year taxpayer would be from 01012000 to 03312000.

**UV and UP registration numbers.** You must enter your registration number in the boxes provided. You are registered if you received a UV (ultimate vendor of undyed diesel fuel and undyed kerosene) or a UP (ultimate vendor of kerosene sold from a blocked pump) registration number from the IRS that has not been revoked or suspended. If you do not have a registration number, you cannot make this claim. Get **Form 637**, Application for Registration (For Certain Excise Tax Activities), to apply for one.

**Gallons.** Enter the amount to the nearest whole gallon. See **How To Round** in the Form 8849 instructions.

**Amount of refund.** Multiply the rate by the number of gallons and enter the result in the boxes for column (c).

**Required certificate.** The certificate must contain all the information as shown in the Model Certificate in Regulations section 48.6427-9(e).

**How to file.** Attach Schedule 2 to Form 8849. On the envelope write "Diesel Fuel/Kerosene Claim" and mail to the IRS at the address under **Where To File** in the Form 8849 instructions.
