
Comments on Items for Year 2000 Published Guidance Priority List

Notice 2000-10

The Department of Treasury and Internal Revenue Service request public comment about items that should be included in the Guidance Priority List for 2000.

IRS and Treasury's Office of Tax Policy use the Guidance Priority List (GPL) each year to identify and prioritize the tax issues that should be addressed through regulations, rulings, and other published administrative guidance. Public input is invited as part of the process of formulating the GPL to ensure that the agency's resources focus on the guidance items that are most important to taxpayers and tax administration.

No particular format is required for comments submitted in response to this Notice. However, it will be helpful for

comments both to briefly describe the item that is recommended for inclusion on the GPL and to explain why there is a need for guidance. In addition, comments may present an analysis of how the issue should be resolved.

Please submit all comments by February 14, 2000. Written comments should be sent to:
